

Director, Commercial & Multi-Family Development

We are seeking an exceptionally talented individual to play a key role in the development of commercial and multi-family properties in our \$3 billion pipeline.

The role and attributes:

- A proven track record of commercial and multi-family experience to fly this high is a must!
- Creativity, innovation, and initiative are absolute qualities.
- The ability to develop assets that reflect Regional's bold vision for the future of Ottawa and Gatineau.
- A strong collaborative style of leadership that sees opportunity in challenges.
- Teamwork is mandatory – you have to be able to leverage the depth of Regional's talent and team to deliver maximum return on investment.

About Regional Group:

- Fun is one of our core values
- We empower our people to strive for creativity, uniqueness and distinction
- \$3 billion project pipeline
- City builders in Ottawa for 60 years and three generations
- Vertically-integrated and multi-disciplinary: real estate advisory, management, development, construction, and investment
